

Language Proficiency Test for Spanish

When are the next Language Proficiency Tests taking place?

- ▶ During our office hours, using Zoom.

How to register for the test

- ▶ Please write directly to a member of the Department of Spanish, via email or in person, in order to make an individual appointment.

What happens during the test?

- ▶ We will have a 30 minute interview.

What do you need to bring to the test?

- ▶ Please prepare a text (in Spanish!) on the topic „El español y yo“.
- ▶ The text serves as preparation for the interview. As such you must write it yourself, without the help of others!
- ▶ Student identification.
- ▶ Proof of payment of the €15 fee.

What happens if I don't have the required level of language ability?

- ▶ We offer individual tutoring for students who do not have the required level of language ability at the time of applying, but would like to do an intensive course in order to prepare. Für die Studierenden, die zum Bewerbungszeitpunkt noch nicht über das erforderliche Sprachniveau verfügen, dieses aber im intensiven Studium erreichen möchten, bieten wir individuelle Lernberatungen an. Student and teacher formulate a learning agreement which is signed by both sides. This process includes a two week period for reflection. Please contact the Department of Spanish with plenty of time to spare.
