

SPRZ.OVGU.DE THE LANGUAGE CENTRE

Opportunities to read French

- ▶ If you want to keep up with world events and read some French at the same time, we can recommend a few newspapers: Le monde, Courier international or Libération.
- ▶ If you prefer authentic travel stories, don't hesitate to read the travelogues written by students of the Language Centre. They are studying in a foreign country themselves, and can tell you about what's been happening to them while they have been there. Exciting! Follow the link for Blogtrotteurs.
- ▶ If you prefer to have a book in your hands, that's no problem! The Public Library has a department on the third floor with a wide selection of French books.
