Unicert® III/A: English in Social Sciences

28.09.2021 - In winter semester 2021/22 a new **Unicert® III/A course** for **English in Social Sciences** will be offered. This course is open to all students and is an optional course for ›selected students

(<http://www.sprz.ovgu.de/sprz/en/Homepage+subnavigation/Course+fees/Language+courses+without+fees.html>) of Humanities.

A particular focus of the course is the concept of **sustainability**; we practice academic writing and end the course with a project of the topic of "**The Green University**".

We use English as a means to an end, insofar as we are dealing with a topic which the university itself is concerned with, and students are involved in implementing. The results of the course may be forwarded to the **Office for Sustainability** of the university.

Registration take place here › <https://sprachenzentrum.ovgu.de/> (<https://sprachenzentrum.ovgu.de/>), from 9:00, 4 October 2021.
