UNCert® III: English in Social Sciences and Sustainability certificate

26.09.2022 - This semester (winter semester 2022/23), a UNCert® III.1.1 course "English in Social Sciences" will be held for the first time, which is linked to a module for obtaining the ›sustainability certificate (https://www.nao.ovgu.de/nao_media/Dokumente/Leitfaden+f%C3%BCr+Studierende-nonactive-1-preview-1-showdeleted-1.pdf) .

This means that all students who would like to complete the entire UNCert® III programme (is optional for the Humanities) will go through 2 -3 semesters with a total of 10 SWS and will receive a UNCert®III certificate (equivalent to C1) after successful completion.

Those students who have decided to obtain the sustainability certificate have the option of taking the UNCert® III.1.1 course with 4 SWS. After successful completion, 4 CP will be recognised for the NAO. Of course, you are also welcome to continue with the UNCert® III programme.

Enrolment takes place via ›moodle (<https://sprachenzentrum.ovgu.de/>) .
