

## Registration for a retake of exams from the SoSe 2020 to improve your grades (free attempt)

Dear students,

In the summer semester 2021, you will have the unique opportunity to improve your grades by repeating module examinations/examinations you took in the summer semester 2020.

The scheduled examination dates and the intended type/form of examination can be found in the examination schedule on the homepage of the Examination Office.

**Please note:** The **hardware required** for scheduled online examinations (e.g. laptop, camera) **must be provided by you as the examinee.**

<b>Last Name:</b>
